**RESPONSE TO "FILE CORRECTED APPLICATION PAPERS NOTICE"**

Sir:

This communication is filed in response to the "Notice to File Corrected Application Papers" dated April 30, 2009 which stated that the drawings which were filed with the application do not meet the USPTO requirements because they contain foreign language.

However, the foreign language that appears on the drawings, particularly FIG(s) 2, 7, 14, 16, and 17, is text that appears on the actual invention and is not description of the product.

If there are any fees resulting from this communication, please charge same to our Deposit Account No. 16-0820, our Order No. NGB-38149.

Respectfully submitted,
